

The first Annual Columbia 30 One Design Invitational will be hosted by the Southern California Association (SCYA) 77th annual Midwinter Regatta, February 18 and 19, 2006 in San Diego, California.

Sailing in the SCYA Midwinters has traditionally opened the racing season in Southern California, which makes it a perfect venue for launching Columbia 30 class racing. There are now five Columbia 30 Sport Yachts in the southern California region, including three in San Diego, all of which will be racing in the Columbia 30 One Design Invitational.

At the time of the regatta, Columbia 30s will also be sailing and competing in the Great Lakes and Florida regions. Our new factory, strong sales, and a popular owner-rep program are helping to build fleets throughout the US.

The Columbia fleet will stand out in what has become one of the largest regattas in the United States, with large, modern flat-top sail plans and capable of speeds in the 17-20 knot range.

As always, if you are interested in the new 2006 Columbia 30 Sport Yacht, please don't hesitate to send us an e-mail (info@columbiayachts.com) or call us directly, (714) 557-0712.
